

Michael Page International Asia Pacific

“” Global strength.
Regional expertise.
Local partnerships.

Your regional recruitment partner

Michael Page International has been bringing the world's best employers and brightest professionals together for over 30 years. As an internationally recognised and respected brand, we have the global strength to think and act beyond the boundaries of location or business function. That is why a recruitment partnership with Michael Page International will open doors for your business around the world.

In the Asia Pacific region, our specialist recruitment consultants are supported by a stable senior management team which ensures a consistency of service. Through our extensive regional office network, we are able to support clients on the ground with a depth of local recruitment expertise that is second to none. Let us apply the strength of our global resources to grow your business across the Asia Pacific region.

Consistency of service

The Michael Page presence in Asia Pacific extends across Australia, New Zealand, Singapore, Hong Kong, China, Japan, India and Malaysia. Our expansion in the region has been achieved through organic growth rather than by merger or acquisition. A policy of internal promotion ensures our best talent is recognised and developed into leadership positions. The result of this strategy is a strong corporate culture with a consistent and proven approach to recruitment. It means we can offer the efficiency of a regional recruitment partnership with the guarantee of consistent service levels – whether we work together in Sydney, Tokyo or Beijing.

CONSISTENCY UNDERPINS EVERYTHING WE DO.

Gary James Regional Managing Director
27 Years | *Asia Pacific Region*

A stable and experienced leadership team

Every member of our regional leadership team has been responsible for establishing new business operations in the Asia Pacific region. This wealth of commercial and geographic experience adds significant value to recruitment partnerships. Our leaders understand the cyclical nature of the employment market and the staffing challenges faced during periods of economic growth and contraction. It is a depth of experience that can only be earned over time.

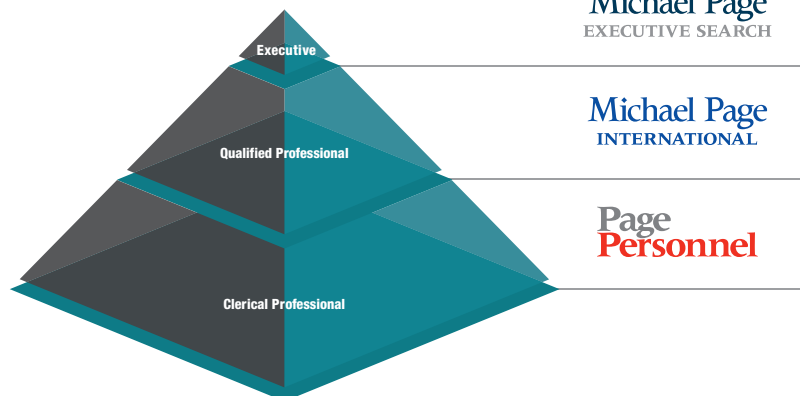

Our people are the Michael Page brand

We recognise the service we provide is only as good as the recruitment consultants who represent the Michael Page group of brands. That is why our selection process is the most stringent in the industry. We employ specialist recruitment consultants for each job sector that we cover, many of whom have prior experience in the fields for which they recruit.

An intensive professional training and development program ensures all Michael Page consultants have the skills to deliver an outstanding level of service. Consultants are paid as salaried professionals and encouraged to work as a team instead of competing against one another for commission. We recognise and reward our best talent with long term career paths at Michael Page. The experience and stability of our senior management team is a testament to the value of this approach to leadership development.

Powerful sourcing solutions

As a global recruitment firm, we have the resources to deliver a consistent flow of high quality professionals. We combine the depth of an extensive Asia Pacific database with the power of print and online sourcing solutions tailored to individual business requirements.

Extensive Database

Michael Page offers one of the most extensive and accurate candidate databases in the Asia Pacific region. To ensure only the most suitable professionals are presented to our clients, candidates are only registered on the database once they have been interviewed and screened by a Michael Page consultant. All information is updated on a regular basis to ensure accuracy.

Print Advertising

As one of the largest recruitment advertisers in the Asia Pacific region, we are able to secure prime media positioning which in turn ensures maximum response. Our continued investment in media advertising and our media relationships has proven extremely effective in attracting high calibre candidates.

Online Advertising

Our online media team ensures Michael Page remains at the forefront of this dynamic communication channel. Michael Page has country specific websites throughout Asia Pacific and companies can choose to have their profile and jobs featured for maximum exposure. We also partner with the leading employment websites across the Asia Pacific region.
